IVE Group will not allow conduct at any Shareholder meeting which is discourteous to those who are present at the meeting, or which in any way disrupts or interferes with the proper conduct of the meeting. The Chair of the Meeting will exercise his powers as the Chair to ensure that the meeting is conducted in an orderly and timely fashion, in the interests of all attending Shareholders.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of the Company (**Shareholders**) in relation to the business to be conducted at the Company's AGM to be held on Tuesday, 25 November 2025 at 10:00am (Sydney time).

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1 – 7 are ordinary resolutions, which require a simple majority of votes cast by Shareholders present and entitled to vote on the Resolution. Resolution 3 relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 1. Re-election of Andrew Bird as Director

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

In accordance with the Company's Constitution, Andrew Bird will retire and stand for re-election as a Director of the Company, having been elected at the Company's 2022 AGM. If shareholders do not approve the re-election of Andrew Bird, then Andrew Bird will cease to be a Director at the conclusion of the Meeting.

The Board considered whether Andrew Bird had any interest, position or relationship that may interfere with his independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition) (**ASX Principles**). The Board considers that Andrew Bird (if re-elected), will continue to be an independent Director.

Andrew is a member of the Audit, Risk & Compliance Committee.

Andrew has extensive financial, operational and strategic experience acquired from a 30-year executive career in consulting, strategy, digital and investment roles primarily in Australia.

Following the earlier part of his career in management consulting with Booz, Allen and Hamilton, Andrew joined CCH, a multi-national listed publishing company and ran one of their business units in Australia. In 1997 Andrew co-founded Aspect Huntley, which was acquired by Morningstar in 2006 and Andrew was appointed CEO for Australia and New Zealand. In 2010 Andrew established his own family investment firm with a focus on private equity and early-stage investments in technology and information businesses. Andrew is currently the Chair of Sharesight Limited.

Andrew holds a Bachelor of Arts from Williams College in Massachusetts, USA and an MBA from INSEAD Business School in Fontainebleau, France.

Prior to submitting himself for re-election, Andrew has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports the re-election of Andrew Bird as he will continue to contribute to the Board significant experience in financial, digital and strategic disciplines.

The Directors, with Andrew Bird abstaining, unanimously recommend that Shareholders vote in favour of this Resolution.

Resolution 2. Re-election of Director – Gavin Bell

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. In accordance with the Company's Constitution, Gavin Bell will stand for re-election as a Non-Executive Director of the Company, having last been re-elected at the Company's 2022 AGM. If shareholders do not approve the election of Gavin Bell, then Gavin Bell will cease to be a Director at the conclusion of the Meeting.

Gavin is a member of the Board's Nominations and Remuneration Committee and the Audit, Risk and Compliance Committee. Gavin has been a Non-Executive Director of the Company since 25 November 2015.

The Board considered whether Gavin Bell had any interest, position or relationship that may interfere with his independence as a Director, having regard to the relevant factors as set out in the ASX Principles. The Board considers that Gavin Bell (if re-elected), will continue to be an independent Director.

Gavin was Managing Partner and Chief Executive Officer of law firm Herbert Smith Freehills, a role he held from 2005 until 2014 when he retired from the role, having joined the firm as a graduate solicitor in 1982.

Gavin is an experienced non-executive director and was previously a non-executive director of Smartgroup Corporation Ltd (ASX:SIQ) and Qantm Intellectual Property Limited (ASX:QIP).

Gavin holds a Bachelor of Laws from the University of Sydney and a Master of Business Administration (Exec) from AGSM, University of New South Wales.

Prior to submitting himself for re-election, Gavin has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports the re-election of Gavin Bell as he will continue to contribute to the Board significant experience in law, commercial negotiation and governance as well as complementing the skills of the existing directors.

The Directors, with Gavin Bell abstaining, unanimously recommend Shareholders vote in favour of this Resolution.

Resolution 3. Remuneration Report

Section 250R(2) of the Corporations Act requires that the section of IVE Group's Directors' Report dealing with the remuneration of the key management personnel for the financial year ended 30 June 2025 (**Remuneration Report**) be put to the vote of shareholders for adoption by way of a non-binding vote.

Key management personnel (**KMP**) are those persons having authority and responsibility for planning, directing and controlling the activities of IVE Group including any executive or non-executive director.

Broadly, the Remuneration Report:

- discusses the Board of IVE Group's policy in relation to remuneration of the KMP;
- discusses the relationship between the Board's policy and Company performance;
- details any performance conditions attached to KMP remuneration; and
- sets out remuneration details for each KMP.

Shareholders can view the full Remuneration Report in the Annual Report which is available on IVE Group's website at www.ivegroup.com.au

Following consideration of the Remuneration Report, the Chair of the Meeting will give shareholders as a whole a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to the vote. The vote on this resolution is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into consideration in setting remuneration policy for future years.

The Board will continue to review the effectiveness of the Company's remuneration practices and their alignment with strategic performance objectives to appropriately reward the Company's executives and deliver shareholder value.

The Directors, noting their interest in the resolution, unanimously recommend that Shareholders vote in favour of this Resolution.

Resolution 4. Issue of Performance Share Rights under the IVE Group Equity Incentive Plan (FY26 LTI) – Matthew Aitken

Please refer to the Company's Remuneration Report in the 2025 Annual Report for details on the Company's approach to remuneration which includes fixed and at-risk remuneration.

ASX Listing Rule 10.14 requires shareholder approval by ordinary resolution before a director can be issued securities under a listed entity's employee incentive scheme. Resolution 4 seeks shareholder approval for the issue of up to 253,807 performance rights (**Performance Rights**) to Matthew (Matt) Aitken, a Director of IVE Group, under the Incentive Plan.

If shareholders approve Resolution 4, the Company will be able to proceed with the issue of Performance Rights to Matt Aitken on the terms and conditions as set out in this Notice of Meeting.

If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Matt Aitken.

Purpose of the Incentive Plan

The Company has established the Incentive Plan to assist in the motivation, retention and reward of staff including senior management. A summary of the key terms of the Incentive Plan is set out in Attachment A.

Other members of senior management, selected by the Board, have been granted performance rights under the Incentive Plan on similar terms to Matt Aitken.

Calculation of the Proposed Number of Performance Rights

The number of Performance Rights to be granted is calculated by dividing the total value of the award by the fair value of the Performance Rights calculated using a Monte Carlo simulation (for the component subject to the TSR performance condition) and a risk-neutral assumption (for the component subject to EPS performance condition). The fair value for this grant is \$1.97, with the number of Performance Rights granted rounded down to the next whole number.

It is proposed that Matt Aitken be granted up to 253,807 Performance Rights. This has been calculated by dividing the total value of \$500,000 by \$1.97 (fair value).

Performance Conditions

The Performance Rights are subject to two Performance Conditions: 60% of the Performance Rights are subject to an earnings per share (**EPS**) performance hurdle, tested based on the compound annual growth rate (**CAGR**) of the Company's EPS, and 40% of the Performance Rights are subject to a relative Total Shareholder Return (**TSR**) hurdle. Both Performance Conditions will be tested over the three-year period commencing 1 July 2025 and ending on 30 June 2028 (**Performance Period**).

The Performance Conditions operate as follows:

- The EPS hurdle will measure the compound annual growth of the Company's EPS over the Performance Period. EPS measures the earnings generated by the Company attributable to each share on issue on a fully diluted basis. EPS growth will be calculated as the Company's Underlying Net Profit After Tax (**NPAT**) divided by the undiluted weighted average shares on issue throughout the performance period, using the following formula:

$$\text{EPS CAGR} = \sqrt[3]{\left(\frac{\text{Year 3 EPS}}{\text{Year 0 EPS}} \right)} - 1$$

(**Benchmark 1**); and

- The Total Shareholder Return (**TSR**) performance of the Company will be measured in comparison to similar companies in a peer group. Due to changes in the market and the lack of material numbers of useful comparator companies, the peer group chosen for the FY26 grant are the companies who are included in the ASX Small Ordinaries Index at the commencement of the Performance Period. The TSR of each company will be measured from the start of the Performance Period to the end of the Performance Period (**Benchmark 2**).

Performance Rights will vest in the percentages relevant to achievement of the Performance Conditions in the table below subject to any adjustments for abnormal or unusual profit items that the Nominations and Remuneration Committee, in its discretion, considers appropriate:

60% of Performance Rights Earnings Per Share Target (EPS) (‘Benchmark 1 Entitlement’)		40% of Performance Rights Relative Total Shareholder Return (TSR) (‘Benchmark 2 Entitlement’)	
EPS Target Range 3% – 5%	Performance Share Rights	TSR growth	Performance Share Rights
Less than 3% of target range achieved	Nil	Company ranks below 50 th percentile	Nil
3.00 – 3.99% of target range achieved	50% vesting on straight-line basis	Company ranks at the 50 th percentile	50%
4.00 – 4.99% of target range achieved	75% vesting on straight-line basis	Company ranks between the 50 th and 75 th percentile	Straight line vesting between 50% to 100%
5% of target range achieved or exceeded	100%	Company ranks at or above 75 th percentile	100%

Together Benchmark 1 and Benchmark 2 comprise the total Performance Conditions but act independently relative to their specific target component of 60% and 40% of Performance Rights, respectively.

Testing of the EPS and TSR Hurdles will occur shortly after the end of the Performance Period and release of the Company's full year audited results in August 2028 and the number of Performance Rights that vest (if any) will be determined. Any Performance Rights that remain unvested will lapse immediately.

Calculation of the Performance Conditions and achievement against the Performance Conditions will be determined by the Nominations and Remuneration Committee of the Company in its absolute discretion, having regard to any matters that it considers relevant. The Board has discretion to adjust the comparator group, including to take into account takeovers, mergers or de-mergers that might occur during the Performance Period.

Any Performance Rights which vest will generally convert to IVE Group Shares on a one-for-one basis.

Additional Terms of the Performance Rights

- Performance Rights do not carry any dividend or voting rights prior to vesting.
- In respect of vested Performance Rights, the Board may in its absolute discretion determine to make a cash payment in lieu of allocating some or all of the Shares.
- The Company's obligation to allocate Shares on vesting of the Performance Rights may be satisfied by issuing new Shares, procuring the transfer to, or procuring the setting aside for the participant the number of shares in respect of which Performance Rights have vested.
- The Incentive Plan contains provisions which give the Board the ability, in certain circumstances, to impose clawback, including the lapse of unvested Performance Rights and forfeit of shares allocated upon vesting of Performance Rights (e.g. in the event of fraud, dishonesty or serious breach of duty).
- The Board has discretion to determine that all or a specified number of the Performance Rights vest if there is a change of control.
- In the event there is any corporate action by, or capital reconstruction in relation to the Company (including but not limited to return of capital), adjustments may be made to the number of Performance Rights and/or the number of Shares to which Matt Aitken is entitled upon vesting in accordance with the Listing Rules or in a manner that the Board considers appropriate.
- Unless the Board determines otherwise:
 - if Matt Aitken's employment is terminated for cause or he resigns (or gives notice of his resignation) prior to Performance Rights vesting, all of his unvested Rights will lapse; or
 - if Matt Aitken ceases employment for any other reason prior to Performance Rights vesting, a pro-rata portion of his unvested Rights (calculated based on the portion of the performance period that has elapsed up until the date of his cessation) will remain on foot and will be tested in the ordinary course as though he had not ceased employment.
- Under the Incentive Plan rules, any dealing in respect of a Performance Right is prohibited, unless the Board determines otherwise or the dealing is required by law.

However, IVE Group is permitted to issue shares (or other securities) in excess of the 15% limit if those shares or securities are issued in reliance on an exception to ASX Listing Rule 7.1 or the issue is approved by shareholders.

Resolution 4, if passed, will provide approval for this purpose in relation to both the Performance Rights and any Shares issued on vesting of those rights. If approval is given under Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

The Directors (with Matthew Aitken abstaining) unanimously recommend that Shareholders vote in favour of Resolution 4.

Resolution 5. Issue of Shares under the IVE Group Short Term Incentive Scheme (FY25 STI) – Matthew Aitken

The Short-Term Incentive (STI) is the main tool for rewarding the current year's performance of the business. The Board adjusted the STI structure in FY25 such that 25% of any STI payment awarded be delivered in fully paid ordinary shares. The change was made in conjunction with the introduction of minimum shareholding guidelines for senior leadership including KMP.

The STI is an incentive payment and full payment is conditional on achievement of the following:

- The key financial performance target for the Group, specifically, Underlying Earnings before Interest, Tax, Depreciation and Amortisation (**EBITDA**) for the year in review;
- Individual financial and non-financial performance targets relevant to Matt Aitken's role as Managing Director which includes strategic and other measurements.

At the end of the financial year, the Board assesses the individual and collective performance against the STI measures and retains an overall discretion in relation to the assessment of performance, to consider, for example, overall performance and any changes to priorities.

At the end of FY25, the Board tested the financial and non-financial performance targets and determined that 90% of the hurdles had been met, resulting in a total FY25 STI award for Matt Aitken of \$360,000. Further detail regarding the FY25 STI was included in the FY25 Remuneration Report. This award will be delivered 75% in cash and 25% in shares.

ASX Listing Rule 10.14 requires shareholder approval by ordinary resolution before a director can be issued securities under a listed entity's employee incentive scheme. Resolution 5 seeks shareholder approval for the issue of 33,582 fully paid ordinary shares in the Company (**FY25 STI Shares**) to Matthew (Matt) Aitken, a Director of IVE Group, under the Incentive Plan.

If shareholders approve Resolution 5, the Company will be able to proceed with the issue of FY25 STI Shares to Matt Aitken on the terms and conditions as set out in this Notice of Meeting. The Shares to be allocated to Matt Aitken will be fully vested ordinary shares, and they will have no disposal or other conditions, as they are being delivered following testing of the FY25 STI performance targets.

If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Matt Aitken.

Calculation of the Proposed Number of Shares

It is proposed that Matt Aitken be granted 33,582 fully paid ordinary shares. This has been calculated by dividing the total value of the equity component of the FY25 STI award (being, \$90,000) by \$2.68 (the volume weighted average price (VWAP) of the Company's shares for 10 trading days following the ex date for payment of the FY25 final dividend).

Technical information for the purposes of the ASX Listing Rules

In accordance with the requirements of ASX Listing Rule 10.15, the following information is provided with respect to Resolution 5:

 - a fixed base salary of \$1,000,000 (including superannuation);
 - a variable short-term incentive (bonus) of up to \$500,000; and

Further information regarding Matt Aitken's remuneration is set out in the Company's Remuneration Report which forms part of the 2025 Annual Report.

- No grants have previously been made under the STI Plan. Further details regarding the FY25 STI are included in the Company's 2025 Remuneration Report contained within the 2025 Annual Report.
- The STI Shares will be fully paid ordinary Shares.
- The Shares will be issued to Matt Aitken on or about the date of the AGM, but in any event no later than 3 years after the date of the Meeting.
- The issue price for the Shares is \$2.68 however no cash consideration is payable by Matt Aitken for the Shares.
- No loans will be made in relation to the acquisition of the Shares by Matt Aitken.
- Details of any securities issued under the Incentive Plan will be published in IVE Group's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Incentive Plan after this Resolution 5 is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule, unless an exception applies.
- A voting exclusion statement is set out in the Notice of Meeting.

ASX Listing Rule 7.1 imposes a 15% cap on the number of equity securities that can be issued by IVE Group without approval of shareholders in any rolling twelve-month period. However, IVE Group is permitted to issue shares (or other securities) in excess of the 15% limit if those shares or securities are issued in reliance on an exception to ASX Listing Rule 7.1 or the issue is approved by shareholders.

Resolution 5, if passed, will provide approval for this purpose in relation to any Shares issued. If approval is given under Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

The Directors (with Matthew Aitken abstaining) unanimously recommend that Shareholders vote in favour of Resolution 5.

Resolution 6. Issue of Shares under the IVE Group Short Term Incentive Scheme (FY26 STI) – Matthew Aitken

The Short-Term Incentive (STI) is the main tool for rewarding the current year's performance of the business. As outlined above, the Board adjusted the STI structure in FY25 such that 25% of any STI payment awarded be delivered in fully paid ordinary shares. The change was made in conjunction with the introduction of minimum shareholding guidelines for senior leadership, including the Managing Director.

ASX Listing Rule 10.14 requires shareholder approval by ordinary resolution before a director can be issued securities under a listed entity's employee incentive scheme. Resolution 6 seeks shareholder approval for the issue of up to \$125,000 worth of fully paid ordinary shares in the Company (**FY26 STI Shares**) to Matt Aitken, a Director of IVE Group, under the Incentive Plan.

The FY26 STI is an incentive payment and full payment is conditional on achievement of the following:

- The key financial performance target for the Group, specifically, Underlying Earnings before Interest, Tax, Depreciation and Amortisation (**EBITDA**) for the year in review;
- Individual financial and non-financial performance targets relevant to Matt Aitken's role as Managing Director which includes strategic and other measurements.

The Board will determine the FY26 STI payment for Matt Aitken by allocating a percentage weighting across the above measures at the end of FY26. The Board will assess the individual and collective performance against the STI measures and retains an overall discretion in relation to the assessment of performance, to consider, for example, overall performance and any changes to priorities.

Further information regarding the Company's Remuneration Policy is included in the Remuneration Report which forms part of the 2025 Annual Report.

If shareholders approve Resolution 6, the Company will be able to proceed with the issue of FY26 STI Shares to Matt Aitken on the terms and conditions as set out in this Notice of Meeting.

If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Matt Aitken.

Calculation of the Proposed Number of Shares

The number of FY26 STI Shares to be granted to Matt Aitken cannot be determined at this time but will be calculated in accordance with the formula set out below:

The number of FY26 STI Shares to be awarded will be 25% of the actual FY26 STI amount awarded divided by the 10 day VWAP of the Company's shares following the release of the FY26 results announcement.

Matt Aitken is eligible for a maximum FY26 STI of \$500,000 (total STI payable at 100% achievement). Assuming Matt Aitken is awarded the total STI in August 2026 following the release of the Company FY26 results, \$125,000 of the STI (being 25% of the total STI) will be paid in Shares and the remaining 75% of the STI will be paid in cash.

Any Shares allocated to Matt Aitken will be fully vested ordinary shares, and they will have no disposal or other conditions, as they will be delivered following testing of the STI performance targets.

Technical information for the purposes of the ASX Listing Rules

In accordance with the requirements of ASX Listing Rule 10.15, the following information is provided with respect to Resolution 6:

- Matt Aitken is a director of the Company and as such is a director for the purposes of ASX Listing Rule 10.14.1.
- The number of Shares to be granted to Matt Aitken cannot be determined at this time but will be calculated in accordance with the formula set out below:

$$\frac{\$125,000 \text{ (maximum value of shares to be issued)}}{\text{10 day VWAP of the Company's shares following the release of the FY26 results announcement}}$$
- Matt Aitken's current total remuneration package for FY26 comprises:
 - a fixed base salary of \$1,000,000 (including superannuation);
 - a variable short-term incentive (bonus) of up to \$500,000; and
 - a variable long-term incentive of up to \$500,000 worth of Performance Rights.

Further information regarding Matt Aitken's remuneration is set out in the Company's Remuneration Report which forms part of the 2025 Annual Report.

- No grants have previously been made under the STI Plan, noting the FY25 award is subject to shareholder approval in Resolution 5.
- The STI Shares will be fully paid ordinary shares.
- The Shares will be issued to Matt Aitken on or about 30 August 2026 following the release of the Company's FY26 financial results, but in any event no later than 3 years after the date of the Meeting.
- The price at which the Company will issue the Shares will be determined by the 10 day VWAP of the Company's shares following the release of the Company's FY26 annual financial results. No cash consideration is payable by Matt Aitken for the Shares.
- No loans will be made in relation to the acquisition of the Shares by Matt Aitken.

- Details of any securities issued under the Incentive Plan will be published in IVE Group's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Incentive Plan after this Resolution 6 is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule, unless an exception applies.
- A voting exclusion statement is set out in the Notice of Meeting.

ASX Listing Rule 7.1 imposes a 15% cap on the number of equity securities that can be issued by IVE Group without approval of shareholders in any rolling twelve-month period. However, IVE Group is permitted to issue shares (or other securities) in excess of the 15% limit if those shares or securities are issued in reliance on an exception to ASX Listing Rule 7.1 or the issue is approved by shareholders.

Resolution 6, if passed, will provide approval for this purpose in relation to any Shares issued. If approval is given under Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

The Directors (with Matthew Aitken abstaining) unanimously recommend that Shareholders vote in favour of Resolution 6.

Resolution 7. Non-Executive Director Fee Sacrifice Share Acquisition Plan

Resolution 7 seeks shareholders' approval for the grant of Share Rights to Non-executive Directors under the Non-Executive Director Fee Sacrifice Share Acquisition Plan (**NED Share Plan**) for FY26, FY27 and FY28.

To encourage greater equity ownership and drive improved alignment with shareholder interests, the Board recently introduced minimum shareholding requirements for Directors and is proposing to put in place the NED Share Plan.

The NED Share Plan is a salary sacrifice plan that allows Non-executive Directors to sacrifice up to 100 per cent of their annual Non-executive Directors' fees to acquire Share Rights at the Value per Share Right as described below. Each Share Right is a right to receive a fully paid ordinary share in IVE Group, subject to the terms of grant.

ASX Listing Rule 10.14 requires shareholder approval by ordinary resolution before a director can be issued securities under a listed entity's employee incentive scheme. Resolution 7 seeks shareholder approval for the issue of Share Rights to Non-executive Directors under the NED Share Plan.

If shareholders approve Resolution 7, the Company will be able to proceed with the issue of securities under the NED Share Plan. The Company may satisfy the vesting of Share Rights by purchasing shares on-market or by issuing new shares.

Overview of the NED Share Plan

Under the NED Share Plan, each Non-executive Director may choose to sacrifice a portion of their fees to be used to acquire Share Rights (up to a maximum of 100 per cent of annual Non-executive Director fees). Share Rights will generally be granted twice a year, shortly following the announcement of the Company's half-year and full-year results in February and August respectively. Should any Non-executive Director participate for FY26, it is expected that the first grant will occur in late February 2026 under this approval.

The number of Share Rights received by a Non-executive Director will be calculated in accordance with the following formula:

$$\text{No. of Share Rights} = \frac{\text{Fees Sacrificed}}{\text{Value per Share Right}}$$

Where:

- Fees Sacrificed = the dollar value of the Non-executive Director's fees that have been sacrificed in respect of the relevant period to acquire Share Rights; and
- Value per Share Right = the volume weighted average price of IVE Group's shares for the ten trading days after the release of the Company's half-year and full-year results in February and August respectively.

Each Share Right will, subject to compliance with IVE Group's Securities Dealing Policy, vest after the end of the following blackout period (i.e. Share Rights granted in February following the release of the half-year results will vest in late August after the end of the blackout period following the release of IVE Group's full-year results) and convert into a fully paid ordinary share subject to a dealing restriction (a Restricted Share).

The dealing restriction will end on the earliest of:

- the Non-executive Director ceasing to be a Director of the Company;
- the end of the restriction time period nominated by the Non-executive Director in their application for Share Rights (up to a maximum of 15 years from the date the Share Rights were granted); or
- the Board determining that the restriction period should end (for example, upon a change of control transaction or in exceptional circumstances applicable to an individual Director).

Non-executive Directors do not have dividend or voting rights with respect to Share Rights until they have vested. Following vesting, the Restricted Shares acquired by Directors will rank equally (in relation to dividend and other rights) with other fully paid ordinary shares.

Upon retirement from the Board, Non-executive Directors are entitled to retain any outstanding Share Rights, which will remain on foot and will vest in accordance with their original terms. There will be no restriction period applicable to the shares allocated in these circumstances. Any salary sacrifice contributions that have been deducted from a retiring Director and for which Share Rights have not been allocated will be repaid as normal fees less tax and, if applicable, superannuation contribution.

The Share Rights granted to Non-executive Directors under the NED Share Plan will not be subject to performance conditions or service requirements that could result in potential forfeiture. This is in line with best practice governance standards, which recommend that Non-executive Directors generally should not receive equity with performance hurdles attached as it may lead to bias in their decision making and compromise their objectivity.

If at any time the Board determines that the allocation of Share Rights or Restricted Shares would result in the Company breaching the Company's constitution, Company policy, any law, the ASX Listing Rules, or is otherwise inappropriate in the circumstances, the Board may defer the allocation of Share Rights or Restricted Shares until a more suitable time or, in the case of Share Rights, return the fees that have been salary sacrificed to the Non-executive Director.

Technical information for the purposes of the ASX Listing Rules

All Non-executive Directors currently in office may participate in the NED Share Plan. The current Non-executive Directors are James Todd, Gavin Bell, Paul Selig, Sandra Hook, Cathy Aston and Andrew Bird. No current or future Executive Director is eligible to participate.

The maximum number of shares that may be acquired by Non-executive Directors under the FY26, FY27 and FY28 grants cannot be specified at this stage and will depend on the following factors:

- IVE Group's share price at the time of each allocation of Share Rights;
- the number of Non-executive Directors in office from time to time;
- the portion of fees sacrificed by each Non-executive Director in relation to each grant (capped at a maximum of 100 per cent of annual Non-executive Director fees). The current Non-executive Director fee pool is \$1,000,000 per annum, which means that the maximum amount of fee sacrificed in one year is \$1,000,000, if the whole Non-executive Director fee pool was used; and
- the level of fees paid to Non-executive Directors from time to time.

Non-executive Directors are paid fees for their service as Directors. The Chair is paid \$250,000 per annum and Non-executive Directors are paid \$110,000 per annum. The Chair of the Audit, Risk and Compliance Committee and the Chair of the Nomination and Remuneration Committee are each paid an additional \$15,000 per annum. All fees are inclusive of superannuation.

This is the first time the NED Share Plan has been put to shareholders for approval and therefore no Non-executive Director has previously received securities under the NED Share Plan.

Share Rights are used as they provide immediate share price exposure and only provide participating Non-executive Directors with the full benefits of share ownership (such as dividend and voting rights) once they convert to Shares.

No loans will be made available in relation to the allocation of Share Rights or shares under the NED Share Plan.

Details of any securities issued under the NED Share Plan will be published in each Annual Report of the Company relating to a period in which securities have been issued and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the NED Share Plan after this resolution is approved, and who were not named in the Notice of Meeting, will not participate until approval is obtained under that rule unless an exception applies.

If shareholder approval is obtained, Share Rights will be granted to satisfy FY26, FY27 and FY28 allocations under the NED Share Plan, with all Share Rights to be granted by 25 November 2028, being three years following the date of this Meeting. It is intended that the NED Share Plan may operate indefinitely, and therefore shareholder approval will need to be refreshed for grants made after FY28 if the NED Share Plan remains in place. If shareholder approval is not obtained, Non-executive Directors will not be able to participate in the NED Share Plan.

A voting exclusion statement is set out in the Notice of Meeting.

Because the Non-executive Directors have a personal interest in the subject of this resolution, the Non-executive Directors have abstained from making a recommendation to shareholders in relation to this resolution. The remaining Director recommends that Shareholders vote in favour of Resolution 7.
