BUSINESS OVERVIEW

Unparalleled offering

IVE is a vertically integrated marketing services and print communications provider. IVE enables its customers to communicate more effectively with their customers by creating, managing, producing and distributing content across multiple levels.

The marketing services and print communications industry is dynamic and constantly evolving. IVE's response to this evolution has been to maintain relevance with our customers through ongoing investment and expansion of our product and service offering.

This has been achieved through an effective combination of both organic growth initiatives and strategic acquisitions.

IVE has a leading product and service offering in Australia and holds leading positions across multiple industry sectors. IVE delivers its products and services through four operating divisions.

% of Revenue	10.7%	11.7%		
NPAT	17.4	11.6	5.8	50.4%
% of Revenue	4.8%	5.6%		

CUSTOMER ENGAGEMENT

Solutions approach

IVE'S BUSINESS IS DIFFERENTIATED BY ITS VERTICALLY INTEGRATED, CUSTOMER FOCUSED OFFERING AND A TOTAL MANAGED SOLUTION

Which enables IVE to:

- service all stages of the marketing process;
- reduce its reliance on commoditised and transactional relationships;
- bring scale;
- bundle products and services to deliver tailored customer outcomes; and
- further expand the range of products and services offered to customers.

IVE provides many of its major customers with managed communication solutions

- focus is on improving the customer's return on total supply chain or 'ownership' cost
- this approach has resulted in strong, long-term relationships with customers and provides the opportunity to further expand the range of value added products and services offered to customers

CUSTOMER BASE

Highly diversified across industries

Customer concentration
(pro forma FY2017 revenue)

Top 10 customer industry exposures
(pro forma FY2017 revenue)

Sector	Sector % of Total

CASE STUDY – Campaign launch

Vodafone NBN Campaign

Vodafone has been an IVEO client for three years. A team of 4 IVEO staff sit onsite with their marketing team to create and execute campaigns from catalogues to sales collateral to instore display.

Vodafone's NBN campaign is on-going. IVEO is responsible for ensuring a successful retail campaign launch in each of their 245 stores as the NBN becomes available. IVEO collaborates with five IVE business units to reach 245 stores nationally.

Strategy and execution

IVEO

- Conceptual design
- Project management for all design, production and delivery

Blue Star DISPLAY

- Site assessments and installation
- Creative adaptation of design to each site
- Production of window decals and large format collateral
- Batched print on demand for successive rollout

Blue Star PRINT

- Sheetfed production of marketing collateral including brochures, flyers

Blue Star WEB

- Catalogue production

Blue Star CONNECT

- Kitting and distribution of collateral to all sites.

Technology platforms

- IVEStore (inventory ordering) and IVETactical (local area marketing).
- Seamless ordering integration with Vodafone's internal Visual Merchandising Platform "VStyle" to streamline engagement with their CoCo network.

CASE STUDY – Individual Request Solution

Beyond Blue

beyondblue has been a client since 2012. We service beyondblue's full marketing supply chain; creative, print management, direct mail, promotional, warehousing and logistics requirements. Our account management team of two are situated at our IVEO Richmond Hub, and a dedicated helpdesk is located in our CONNECT Hub at Erskine Park.

IVE's online ordering platform is seamlessly integrated into Beyond Blue's website. Organisations, call centre helpers and the general public access and order products. These requests are picked and mailed direct to the individuals

IVEO – Supply Chain Management, Creative

Blue Star PRINT – Brochures, Flyers, Booklets, Posters

Blue Star PROMOTE – Wrist Bands, Bags, Badges, Campaign Merchandise

Blue Star DIRECT – Fundraising Mailpacks

Blue Star DISPLAY – Banners, Media Walls, Flags, Stands

Blue Star CONNECT – Call Centre, Kitting, Warehouse, Logistics

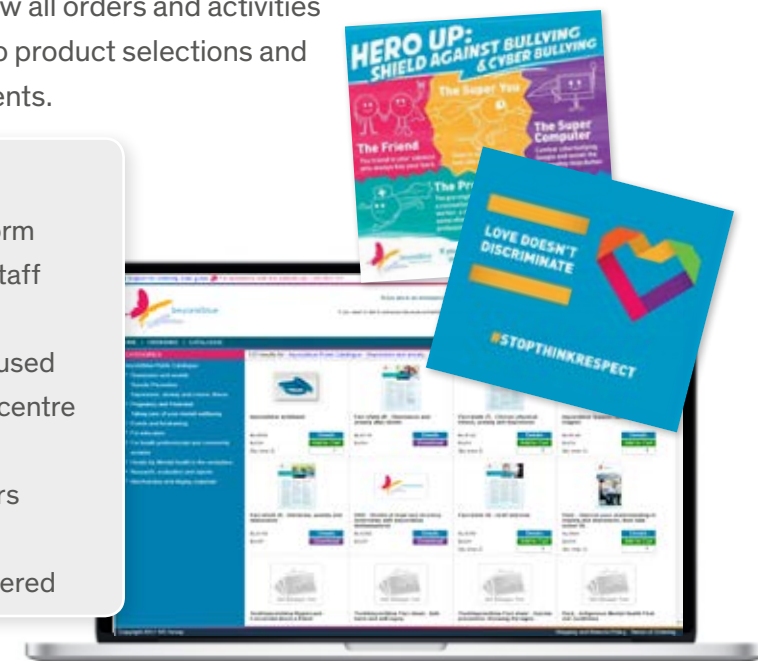

Underpinned by HIVE

- IVEContent (Digital Asset Management)
- IVEStore (Inventory Ordering)
- Engaging 31,000 registered health-focused professionals and unregistered members of the public.
- Data feedback – review all orders and activities to provide insights into product selections and suggested improvements.

WELL PLACED FOR LONG-TERM GROWTH

Growth from multiple sources

New customer origination

- Highly customer centric culture, with a track record of success
- Sales focused executive team

Growing share of wallet with existing customers

- Broad range of products and services provides an excellent platform to grow

Capital expenditure to deliver productivity gains

- Strong focus on driving operational efficiency

Disciplined acquisition program

- The Group has had an active acquisition program over the past 4 years
- A combination of bolt ons and product expansion acquisitions has positioned the business well

Addition of new products and services

- Specific new product and service opportunities identified across the marketing process

Track record since listing in December 2015 of meeting all financial targets and operational milestones.
Continued diversification over the last 4 years has positioned the Group well for long-term growth.

DISCLAIMER

No recommendation, offer, invitation or advice

This presentation contains general information about the activities of IVE Group Limited (IVE) which is current as at 31 December 2017. It is in summary form and does not purport to be complete. It presents financial information on both a statutory basis (prepared in accordance with Australian accounting standards which comply with International Financial Reporting Standards (IFRS) as well as information provided on a non-IFRS basis. This presentation is not a recommendation or advice in relation to IVE or any product or service offered by IVE's subsidiaries.

This presentation is not intended to be relied upon as advice to investors or potential investors, and does not contain all information relevant or necessary for an investment decision. It should be read in conjunction with IVE's other periodic and continuous disclosure announcements filed with the Australian Securities Exchange, and in particular the Half Year to 31 December 2017. These are also available at www.ivegroup.com.au. Investors and potential investors should make their own independent assessment of the information in this presentation and obtain their own independent advice from a qualified adviser having regard to their objectives, financial situation and needs before taking any action.

Disclaimer

No representation or warranty, express or implied, is made as to the accuracy, adequacy or reliability of any statements, estimates or opinions or other information contained in this presentation. To the maximum extent permitted by law, IVE, its subsidiaries and their respective directors, officers, employees and agents disclaim all liability and responsibility for any direct or indirect loss or damage which may be suffered by any recipient through use of or reliance on anything contained in or omitted from this presentation. No recommendation is made as to how investors should make an investment decision. Investors must rely on their own examination of IVE, including the merits and risks involved. Investors and potential investors should consult with their own professional advisors in connection with any investment decision in relation to IVE securities.

Forward looking statements

The information in this presentation is for general information only. To the extent that certain statements contained in this presentation may constitute "forward-looking statements" or statements about "future matters", the information reflects IVE's intent, belief or expectations at the date of this presentation. Subject to any continuing obligations under applicable law or any relevant listing rules of the Australian Securities Exchange, IVE disclaims any obligation or undertaking to

disseminate any updates or revisions to this information over time. Any forward-looking statements, including projections, guidance on future revenues, earnings and estimates, are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause IVE's actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements.

Investment risk

Any investment in IVE securities is subject to investment and other known and unknown risks, some of which are beyond the control of IVE. Any forward-looking statements, opinions and estimates in this presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. For example, the factors that are likely to affect the results of IVE include, but are not limited to, general economic conditions in Australia, exchange rates, competition in the markets in which IVE operates or may operate and the inherent regulatory risks in the businesses of IVE. Neither IVE, nor any other person, gives any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this presentation will actually occur. In addition, please note that past performance is no guarantee or indication of future performance.

Jurisdiction

This presentation does not constitute an offer to issue or sell, or solicitation of an offer to buy, any securities or other financial products in any jurisdiction. The distribution of this presentation outside Australia may be restricted by law. Any recipient of this presentation outside Australia must seek advice on and observe any such restrictions. This presentation may not be reproduced or published, in whole or in part, for any purpose without the prior written permission of IVE.

This presentation does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in the United States. Any such securities have not been, and will not be, registered under the U.S. Securities Act of 1933 (Securities Act), or the securities laws of any state or other jurisdiction of the United States and may not be offered or sold, directly or indirectly, in the United States or to, or for the account or benefit of, persons in the United States, except in a transaction exempt from, or not subject to, registration under the Securities Act and applicable US state securities laws.
